**SUMMARY OF BILL:** Subjects to the procurement laws contained in the Municipal Purchasing Law of 1983 any private act hospital authority operating an ambulance service that carries forward a net operating deficit for two consecutive calendar years.

**ESTIMATED FISCAL IMPACT:**

**NOT SIGNIFICANT**

**Assumptions:**

- Currently, a private act hospital authority is not required to accept bids for the procurement of goods or services not otherwise required to be bid under statutory purchasing provisions.
- Subjecting a private act hospital authority to municipal purchasing laws under the circumstances set forth in this bill may cause a delay in procuring certain goods or services and could result in a change in the price or terms of goods and services eventually procured. However, the resulting impact, if any, will not be significant.
